# Why Eastway?

After a couple years of crisis, uncertainty and soul-searching, job seekers today know what they want.

## Flexibility

They're looking for balance. A job that allows them to work and prioritize time for themselves and their families.

## Shared Values

The pandemic has empowered people to reassess what's important. A meaningful career, working for an employer that shares our values and leads with purpose matters today, more than ever.

## Inclusion

Diversity among the workforce and inclusion at all levels is also at the top of today's jobseeker's priority list.

## At Eastway, These Things Matter Too.

Incorporated in 1957, Eastway Behavioral Healthcare's mission is to advance the overall health and security of individuals and the community by providing excellent behavioral healthcare, rehabilitation, and housing services and to advocate on behalf of individuals with special needs. Today, we are one of Ohio's largest mental health care agencies.

We understand that healing takes time. With our holistic approach, we can guide each person who turns to us for help toward better, brighter days.

## How We Help

Each year, Eastway Behavioral Healthcare serves hundreds of people in a continuum of services that range from day treatment programs and outpatient services through residential care. Our client's range in age from children as young as 5 to adults more than 100 years of age.

Our healthcare services span all levels of intensity and care, and services can be administered at all levels and stages. At every step of the way we both guide and track our clients while aiding their families.

We're there in all ways, at all times, to help our clients heal and grow.
